User 5

Questions	Result	Comments
Q1	Highly Agree	N/A
Q2	Neither Agree or Disagree	N/A
Q3	Agree	N/A
Q4	Neither Agree or Disagree	Though there were a wide range of tools, the use of text may confuse that these are editing tools, icons over text may have been preferable
Q5	Disagree	Maybe options for plant type
Q6	Agree	N/A
Q7	Neither Agree or Disagree	N/A
Q8	Disagree	Understanding that activities were all placed under “all activities” helped but wasting time to work out
Q9	Agree	Back button loses activity info, more icons over less text, register buttons should be more central (besides login), more editing tools, maybe enabling editing tools by default when a patch is added.
Q10	Disagree	See previous responses
Q11	Neither Agree or Disagree	Unsure about the exact background for use.
Additional Feedback	No Additional Feedback Given	No Comments.
