## Multiple Choice Questions

Q1. You could still use the application without going through the instructional guide **with** the help guide for the application.

Highly Disagree      Disagree      Neither Agree or Disagree      **Agree**      Highly Agree

Q2. You could still use the application without going through the instructional guide **without** the help guide for the application.

Highly Disagree      Disagree      **Neither Agree or Disagree**      Agree      Highly Agree

Q3. The **editing tools** easy to use.

Highly Disagree      Disagree      Neither Agree or Disagree      Agree      **Highly Agree**

Q4. There were enough **editing tools** available. If you disagree or highly disagree, please write down what other tools would be helpful to have. If you'd like to state other tools that would still be helpful to add, please do so.

Highly Disagree      Disagree      Neither Agree or Disagree      Agree      **Highly Agree**

---

---

---

---

Q5. Having just **name, description** and **days** enough information for a plant activity. If you disagree or highly disagree, please write down what other information would needed with the activity. If you'd still like to state other information needed with the activity, please do so.

Highly Disagree      Disagree      Neither Agree or Disagree      **Agree**      Highly Agree

---

---

---

---

Q6. There was little to no difficulty with adding an activity to a patch.

Highly Disagree

Disagree

Neither Agree or Disagree

Agree

Highly Agree

Q7. There was little to no difficulty in understanding how to start an activity and how to complete it.

Highly Disagree

Disagree

Neither Agree or Disagree

Agree

Highly Agree

Q8. There was little to no difficulty in finding out where and when an activity was completed. If you were unsure of what this question was asking, please write this down.

Highly Disagree

Disagree

Neither Agree or Disagree

Agree

Highly Agree

---

---

---

---

---

Q9. Overall, the application was well made and there were little to no issues with using the application. If there were issues, please write down these issues.

Highly Disagree

Disagree

Neither Agree or Disagree

Agree

Highly Agree

---

---

---

---

---

---

Q10. The application has enough features needed for any simple gardener to have. If there were more features you believe the application should have, please write these down.

Highly Disagree      Disagree      Neither Agree or Disagree      Agree      **Highly Agree**

---

---

---

---

Q11. After using this application, I would recommend other Gardener's to use this application. Please write down your reasoning for your answer.

Highly Disagree      Disagree      Neither Agree or Disagree      **Agree**      Highly Agree

Using the application would help them keep track of all of their plants they have within their garden and keeps important activities one due for them such as watering the plants or pruning them.

If you have any other additional feedback you'd like to give for the application, please write it down below.

Possibly a weather tracker ~~as well~~ as this can be used an influence in determining weather plants should be watered or not.
